5 Year Material and Workmanship Warranty

W.P. Hickman Company warrants that purchased products made by Hickman were manufactured of good material and workmanship according to Hickman's specifications for five years from date of shipment. If, after receiving prompt written notice, Hickman determines that the purchased products are not as warranted above, it agrees at its sole option to either repair, replace or refund the purchase price of the non-conforming products. Purchase price refunds include the cost of the product only and do not include installation, labor or other costs. In no event shall Hickman's total liability exceed the purchase price of the non-conforming products, nor shall its liability include any consequential, incidental or indirect damages.

This warranty does not apply to results of normal wear and tear or failure to follow our maintenance instructions. This warranty also does not apply if the installer fails to follow our instructions or specifications.

This warranty expressly excludes all other written, oral, express and implied guarantees, representations and warranties, including warranties of merchantability and fitness for a particular purpose, whether by operation of law or otherwise.
