

PERLOK® perimeter metal

Perlok® 150 Coping

Perlok 150 with a 16-gauge galvanized steel cleat is approved for up to an FM 1-180 Wind Storm Rating and has a 20-Year, 150 mph Warranty. The coping utilizes a metal chair which functions as both a gutter chair with its raised ribs and as an internal splice plate in the same color and finish as the coping cap.

Perlok® 90 Coping

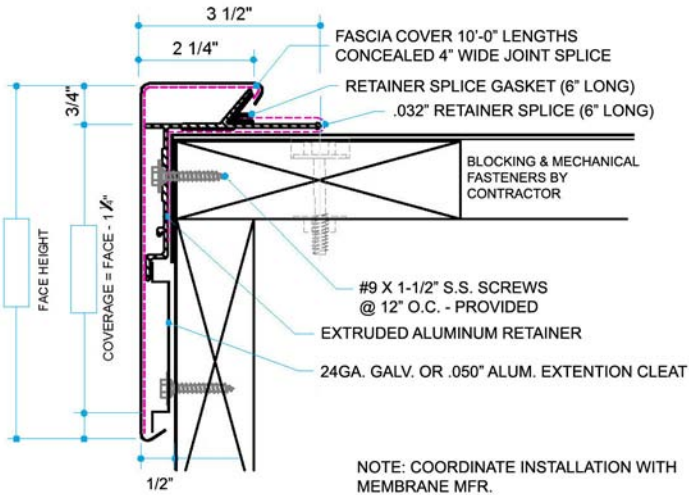

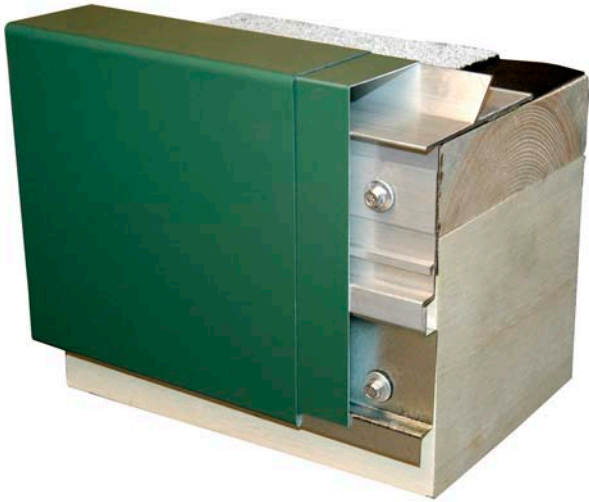

Perlok 90 with a 20-gauge galvanized steel cleat is approved for up to an FM 1-90 Wind Storm Rating and has a 20-Year, 90 mph Warranty. The coping utilizes a metal chair which functions as both a gutter chair with its raised ribs and as an internal splice plate in the same color and finish as the coping cap.
